CHR'S
Dear Colonel Knight:

As you are aware, I was fortunate enough to join the State and Provincial members at the 112th IACP Annual Conference. It was a very enjoyable conference and one of the main reasons for that was the Florida Highway Patrol.

Chris, your Troopers and Supervisors could not have been more helpful or courteous from the time we arrived until the minute we departed. They met any request or need we had with professionalism, courteously, and with a smile. These men and women were emblematic of a proud and professional organization with great leadership at the top.

Please accept my sincere appreciation for the assistance I was provided and express my gratitude and thanks to the detail.

Sincerely,

A handwritten signature in black ink, appearing to be "J. McMahon", written over a horizontal line.
